Our ETUTORME tutors who assist students preparing for the Cambridge STEP are Britain's top 5% academics – PhDs, Lecturers, researchers in Mathematics with extensive teaching and lecturing experience from leading UK universities such as Cambridge, Oxford, UCL, Imperial, KCL, QMW and many more.

This course comprises of 3×2-hours **one-to-one** online Lectures per week for 4 weeks.

Our ETUTORME tutors

1. Cover the STEP Syllabus with emphasis on the sections which have appeared in past exam papers.
2. Provide guidance and assistance to solve previous tests and to practise model exam papers.
3. Advice on learning techniques and tips for exam preparation.

Our tutors provide valuable support and guidance that can enable our STEP students perform to the best of their abilities and excel as top students in their curriculum.

In all cases we take into account the mathematical background of our pupils and design programs of studies tailored to their needs.
